ORDER
LIFTING STAY

This matter is before the undersigned on Plaintiff's Motion to Lift Stay.

It appears that an Order staying this matter was entered on April 26, 2017, pending the parties' consent agreement to arbitrate. It further appears the parties have now settled all claims and the arbitration is completed. Plaintiff seeks an Order lifting the stay in order to dismiss all claims with prejudice. Counsel for Defendants consents.

Accordingly, it is hereby ORDERED that the stay in this matter is lifted.

This November 2nd, 2017.

Hon. Louise Flanagan
District Court Judge
